

GBC CB25E Pro Heavy Duty Electric Punch and Comb Binding Machine

This heavy duty binding machine features an electric punch capacity of 25 sheets and effortlessly binds documents of up to 500 sheets using CombBind® spines.

The CombBind® CB25E Pro is a durable electric comb binder designed to handle tasks in office, home, and school environments with moderate usage demands. Adjustable selector pins enable effortless adaptation to paper sizes up to A4, with the flexibility to customize margin depths. Designed for ease of use, it features a convenient clippings tray for quick access. With the capability to punch through up to 25 x 70gsm A4 sheets, this reliable binder can efficiently bind up to 500 sheets at a time using 51mm spines. Silver colour.
